CERTIFICATIONS

- Full Stack Java development
- Awards of excellence for attaining 1st positions in university exam.
- Certified course on core java

PROJECT

Portfolio

- Developed a personal portfolio website to showcase skills, projects, education, and certifications.
- Implemented a responsive UI with animations, project carousel, and skill progress bars using HTML, CSS, JavaScript, Bootstrap 5, and Tailwind.
- Designed the website as a professional digital resume to enhance online presence.

XplorIndia

- The xplorIndia Project aims to enhance the experience of exploring the city by providing a reliable, easy-to-use and comprehensive resource.
- It stores details of a city and display information about the city such as hotels, colleges, tourist places.
- This acts as a guide to the new visitor.

SocioScore

- Built a digital system to track and showcase credibility, responsibility, and contributions.
- Encouraged accountability and active participation by rewarding positive tasks and activities.
- Helped organizations identify reliable members for recognition, roles, and leadership.

HOBBIES

- Panting and Sketching.
